Company Profile

Intevac (NASDAQ: IVAC) was founded in 1991. The company is headquartered in Santa Clara, CA and has a global presence with offices in the United States, China, Malaysia and Singapore. We are a leader in the design, manufacture and marketing of high-productivity lean manufacturing systems and have been producing Lean Thinking platforms since 1994. We are the leading supplier of magnetic media processing systems to the hard drive industry and offer highly efficient technology solutions to the photovoltaic industry. We also develop compact, cost-effective, high-sensitivity digital-optical products for the capture and display of low-light images and the optical analysis of materials. ... (more)
