Company Profile

At LINN Energy, we believe in performance through preparation and commitment to our strategy has prepared us to perform in any environment. Our people, reserve-life index of more than 20 years, commodity hedges and access to capital position us to continue achieving our mission to acquire, develop and maximize cash flow from a growing portfolio of long-life oil and natural gas assets. Since becoming a publicly traded company in 2006, LINN has consistently paid a quarterly distribution to its unitholders.... (more)
