Company Profile

HMS provides the broadest suite of cost containment solutions in healthcare to help payers improve performance. We deliver coordination of benefits, payment integrity, and data solutions to health plans, state agencies, federal programs, and employers. Using innovative technology through powerful data services and analytics, we prevent improper payments related to fraud, waste, and abuse and recover on inappropriately paid claims. As a result of our services, our customers recover billions of dollars every year and save billions more through the prevention of erroneous payments. A public... (more)
