## Company Profile

Angie's List, Inc. is a trusted resource for consumers looking to find the best local service providers in more than 720 categories, like home repair, health care and auto service. More than 2.8 million members turn to Angie's List to research, hire, rate and review local service providers. We save them time, and we save them money through exclusive member discounts from top-rated businesses.

Angie's List specializes in "high cost of failure" services, such as roofing, remodeling and health care. These services are necessary, expensive and important, and our members want to solve these problems fast. Because we don't accept anonymous reviews, our members know they can trust Angie's List and quickly find the best provider.

We also help local service providers find quality customers and differentiate themselves in a competitive marketplace. Companies that maintain a high rating from Angie's List members are invited to offer exclusive discounts to our member base.
