Company Profile

Business runs on IT. IT runs on BMC Software.

Business runs better when IT runs at its best. Tens of thousands of IT organizations around the world -- from small and mid-market businesses to the Global 100 -- rely on BMC Software (NASDAQ: BMC) to manage their business services and applications across distributed, mainframe, virtual and cloud environments. BMC helps customers cut costs, reduce risk and achieve business objectives with the broadest choice of IT management solutions, including industry-leading Business Service Management and Cloud Management offerings. For the four fiscal quarters ended December 31, 2012, BMC revenue was approximately $2.2 billion.
