Company Profile

ICU Medical, Inc develops, manufactures and sells innovative medical technologies used in vascular therapy, oncology and critical care applications. ICU Medical's products improve patient outcomes by helping prevent bloodstream infections and protecting healthcare workers from exposure to infectious diseases or hazardous drugs. The company's complete product line includes custom I.V. systems, closed delivery systems for hazardous drugs, needleless I.V. connectors, catheters and cardiac monitoring systems. ICU Medical is headquartered in San Clemente, California.... (more)
