Company Profile

Performant offers enterprise integrity solutions to enhance revenue and contain costs for the customers we serve. Our vision is to be the best in maximizing revenue, quality and cost integrity.

Performant helps commercial and government organizations prevent, identify and recover waste, improper payments and defaulted debts. We are a leading provider of these services in healthcare, student loans and government.

Powered by our experts, analytics and workflow technology, Performant provides professional services that help organizations prevent and recover waste. Performant has managed and analyzed a wide range of programs and complex data sets across the United States. We have handled inventories ranging from a few hundred to many millions of accounts and dollar volumes, representing millions to billions of dollars per client.

Founded in 1976,
