Company Profile

Unilife is a U.S. based medical device company focused on the design, development, manufacture and supply of a proprietary range of retractable syringes. Primary target customers for our products include pharmaceutical manufacturers, suppliers of medical equipment to healthcare facilities and patients who self-administer prescription medication. All of our syringes incorporate automatic and fully-integrated safety features which are designed to protect those at risk of needlestick injuries and unsafe injection practices. We are ISO 13485 certified and have FDA-registered medical device manufacturing facilities in Pennsylvania. … (more)
