Company Profile

We are the world's leading social game developer with 253 million average monthly active users, or MAUs, in 175 countries.

Investors and others should note that we announce material information to our investors using this investors website, SEC filings, press releases, public conference calls and webcasts. We also use social media channels to announce information about the company, games, employees and other issues. We may choose to communicate material information through social media channels or the information we post on social media channels could be deemed to be material information. Therefore, we encourage investors, the media, our players and others interested in our company to review the information we post on the U.S. social media channels listed below. This list may be updated from time to time.
