Company Profile

Noble Energy, Inc., founded in 1932, is one of the nation's leading independent energy companies engaged in worldwide oil and gas exploration and production. The Company's broad-based assets include exposure to both crude oil and natural gas resources, as well as properties in the U.S. and internationally. Our project inventory is comprised of a large number of low-risk developments, multiple long-term growth projects, and an extensive set of high impact exploration opportunities. With a strong balance sheet, a disciplined capital investment philosophy and a diversified asset portfolio, we have the resources, foresight, and expertise to continue delivering differential growth and value for our stakeholders....
