Company Profile

Over the past decade, Cinedigm has led the digital distribution revolution that continues to transform the media landscape. In addition to its pioneering role in transitioning movie theatres from traditional film prints to digital distribution, Cinedigm continues to advance worldwide cinema modernization with its suite of software products allowing exhibitors and distributors to manage their newly digital businesses with efficiency, insight and certainty. Additionally, Cinedigm is the leading independent content distributor in the United States, with direct relationships with over 60,000 physical and digital retailers, including Wal-Mart, Best Buy, Target, iTunes, Netflix, and Amazon. The company's library of over 32,000 titles and episodes encompasses award-winning documentaries from Docurama Films®, next-gen Indies from Flatiron Film Company®, acclaimed independent films and festival picks through partnerships with the
