Company Profile

Biocept, Inc. is a molecular oncology diagnostics company specializing in Circulating Tumor Cells (CTCs) and biomarker analysis, headquartered in San Diego, California. Our mission is to improve outcomes for cancer patients by advancing oncology diagnostics. We utilize patented and innovative technologies to deliver clinically relevant oncology diagnostics to physicians by providing advanced prognostic and predictive assessments for guiding the course of treating patients. Additionally, we offer services to other laboratory testing providers, academic institutions, research organizations... (more)
