Company Profile

LPL Financial provides an integrated platform of proprietary technology, brokerage, and investment advisory services to over 14,000 independent financial advisors and financial advisors at regional and community banks and credit unions across the country. In addition, we support over 4,000 financial advisors with customized clearing, advisory platform, and technology solutions.

We singularly focus on providing financial advisors and institutions with the front-, middle-, and back-office support they need to serve the large and growing market for independent investment... (more)
