Company Profile

francesca's is one of the fastest growing specialty retailers in the United States.Our retail locations are designed and merchandised to feel like independently owned, upscale boutiques and provide our customers with an inviting, intimate and differentiated shopping experience. We believe we offer compelling value with a diverse and uniquely balanced mix of high-quality, trend-right apparel, jewelry, accessories and gifts at attractive prices. We tailor our assortment to appeal to our core 18-35 year-old, fashion conscious, female customer, although we find that women of all ages are attracted to our eclectic and sophisticated merchandise selection and boutique setting. We carry a broad selection but limited quantities of individual styles and introduce new merchandise to our boutiques five days a week to create a sense of scarcity and newness, which helps drive customer shopping frequency and loyalty. Our boutiques have been successful across a wide variety of geographic markets and shopping venues. We believe we have an opportunity to continue to grow our boutique base to approximately 900 boutiques in the United States. Our merchandise is also available through our e-commerce website, www.francescas.com.... (more)
