## Company Profile

TomTom empowers movement. Every day millions of people around the world depend on TomTom to make smarter decisions. We design and develop innovative products that make it easy for people to keep moving towards their goals. Best known for being a global leader in navigation and mapping products, TomTom also creates GPS sports watches, as well as state-of-the-art fleet management solutions and industry-leading location-based products. Our business consists of four customer-facing business units: Consumer, Automotive, Licensing and Telematics.
