Company Profile

Silicon Laboratories (NASDAQ: SLAB) is an industry leader in the innovation of high-performance, analog-intensive, mixed-signal ICs. Mixed-signal ICs enable the analog world we live in to interact with the digital world of computing in customer products like set-top boxes, televisions, and cell phones. Developed by a world-class engineering team, Silicon Labs' diverse portfolio of highly-integrated, easy-to-use solutions are designed in CMOS, the most widely available process technology, enabling significant integration advantages without sacrificing performance. ...
