Company Profile

Intevac (NASDAQ: IVAC) was founded in 1991. The company is headquartered in Santa Clara, CA and has offices in the United States, China, Malaysia and Singapore. We are a leader in the design and development of high productivity, thin film processing systems. Our production-proven platforms are designed for high volume manufacturing of substrates with precise thin film properties. We are the market and technology leader in the hard drive industry. Our technology solutions improve performance and throughput, and continue to expand into additional markets – inc... [\(more\)](#)
