Company Profile

AeroVironment is a technology solutions provider that designs, develops, produces and supports an advanced portfolio of unmanned aircraft systems (UAS) and electric transportation solutions. Agencies of the U.S. Department of Defense and allied military services use the company's battery-powered, hand-launched unmanned aircraft systems extensively to provide situational awareness to tactical operating units through real-time, airborne reconnaissance, surveillance and communication. AeroVironment's electric transportation solutions include a comprehensive suite of electric vehicle (EV) charging... [\(more\)](#)
