Company Profile

Progress Software (NASDAQ: PRGS) is a global software company whose mission is to simplify and enable the development, management and deployment of business applications on premises, in any Cloud, on any platform and on any mobile device.

Progress partners with more than 1,400 ISVs around the globe, including the third largest ISV ecosystem of apps in the Cloud. Companies partner with Progress because of our high developer productivity, flexible deployment, low TCO, long application lifecycle and strong partner and developer community.
