## Company Profile

KeyW is an adaptable, powerfully capable company whose members have made many important, creative contributions to science, defense, space and the intelligence community. We take pride in these contributions to security and the quality of life. Even more, we are grateful to our customers for entrusting critically important tasks to us. The people of KeyW take on new challenges with confidence and commitment. We are an unbeatable team with the technical, management and financial capacity to perform the tough assignments of the future.
