**Company Profile**

**Company Description**

Tesla's mission is to accelerate the world's transition to sustainable energy. Since our founding in 2003, Tesla has broken new barriers in developing high-performance automobiles that are not only the world's best and highest-selling pure electric vehicles—with long range and absolutely no tailpipe emissions—but also the safest, highest-rated cars on the road in the world. Beyond the flagship Model S sedan as well as the falcon-winged door Model X sports utility vehicle, we plan on launching our new Model 3 sedan later this ... [\(more\)](#)
