Company Profile

Johnson & Johnson has been a part of people's lives for more than 120 years and a valuable part of their investments for more than 60 years. Founded in 1886, we listed our shares on the New York Stock Exchange for public investors in 1944.

During our history, we have built the most comprehensive base of health care businesses in the world, generating more than 70 percent of our revenues from No. 1 or No. 2 global leadership positions in our respective markets.
