**Company Profile**

Cree is a market-leading innovator of lighting- class LEDs, lighting products and semiconductor products for power and radio frequency (RF) applications. Cree believes in unlocking the power and potential of technology, enabling the world to do more with less and transforming the way people experience light through high-quality interior and exterior LED lighting solutions.

Cree's areas of business include LED lighting systems and bulbs, blue and green LED chips, high-brightness LEDs, lighting-class power LEDs, and power-switching and RF... [\(more\)](#)
