Company Profile

Rentrak's mission is to become the leading provider of consumer entertainment behavior and segmentation databases across all digital media distribution platforms through the development of new and innovative products that will become part of the ongoing fabric of the entertainment industry. The media landscape is rapidly changing and only Rentrak, providing its services to more than 125 of the most recognizable media companies in the world, has the decades of experience and intelligence databases to realize the opportunity created by these changes. Already embedded in the DNA of the entertainment industry, Rentrak is well-positioned to successfully connect advertisers and brand owners with media, a \$130 billion market. With a solid balance sheet and fully funded business plan, Rentrak is committed to linking marketplace trends with our strengths to create a stronger, broader and profitable company for our shareholders....
