## Company Profile

Hill-Rom Holdings, Inc. traces its roots back to 1929 when William A. Hillenbrand formed the company as a division of Hillenbrand Industries. At that time, the company was focused on developing innovative beds and furnishings for hospital patient rooms. Now, after over 85 years, Hill-Rom leads the way as an innovator in the medical technology field developing solutions that enhance outcomes for patients and their caregivers.

Hill-Rom is a leading global medical technology company with 10,000 employees worldwide. We partner with health care providers in more than 100 countries by focusing on patient care solutions that improve clinical and economic outcomes in five core areas: Advancing Mobility, Wound Care and Prevention, Clinical Workflow, Surgical Safety and Efficiency and Respiratory Health. Around the world, Hill-Rom's people, products, and programs work towards one mission: Every day, around the world, we enhance outcomes for patients and their caregivers.
