Company Profile

We believe we are:

- **Stockholder centric** – we think like owners and are focused on long-term gains rather than short-term results. The compensation structure of our management team is closely tied to the long-term performance of our stock. In fact, the executive leadership team has a significant portion of its respective net worth tied to Liberty Media;
 - **Forward-looking** – We take advantage of the benefits and minimize the risks associated with the digital transition in the industries in which we invest;
