Company Profile

Sanderson Farms has grown from a small general feed and seed business in 1947 to one of the nation's leading food corporations in fiscal 2017, with sales of more than \$3.3 billion. We are currently the third largest poultry producer in the U.S., processing over 4.2 billion pounds of meat in fiscal 2017.

Our state-of-the-art facilities provide us the capacity to process more than 10.8 million chickens per week. We currently operate 11 poultry plants, with our newest complex having opened in January 2017 in St. Pauls, North Carolina. This location provides additio... [\(more\)](#)
