Company Profile

CafePress, the recognized pioneer of customizable retail products, is a leading online retailer driven by personalized content and products that are aspirational, inspirational and motivational. CafePress operates at the intersection of technology innovation and product printing, established to promote and encourage selfexpression through hundreds of customizable items. CafePress' reach extends beyond hundreds of customizable products through valuable connections with a vast community of designers and partnerships with major and highly recognizable brands and entertainment properties. Today there are nearly 1 billion unique products with over 150,000 new designs added each week, combined with the reseller market, over 7 million products are printed and shipped each year.
