Company Profile

Great Lakes Dredge & Dock Corporation is the largest provider of dredging services in the United States and the only U.S. dredging company with significant international operations. The Company is also a significant provider of environmental and remediation services on land and water. Great Lakes employs civil, ocean and mechanical engineering staff in its estimating, production and project management functions. In its 125-year history, Great Lakes has never failed to complete a marine project. Great Lakes has a disciplined training program for engineers tha... [\(more\)](#)
