## Company Profile

### Corporate Profile

Insulet Corporation is an innovative medical device company based in Billerica, Massachusetts. It was founded in 2000 with the mission of improving the lives of people with diabetes. Specifically, through its revolutionary Omnipod Insulin Management System, Insulet seeks to expand the use of insulin pump therapy.

Studies have demonstrated the advantages of insulin pump therapy over multiple daily insulin injections (MDI); these advantages include better glycemic control, fewer hypoglycemic events, reduced glycemic variability<sup>1</sup> an... [\(more\)](#)
