Company Profile

Omega Protein Corporation is a nutritional ingredient company and the nation's leading vertically integrated producer of omega-3 fish oil and specialty fish meal products. Omega Protein develops, produces and delivers nutritional ingredients throughout the world to three primary industries— human nutrition, animal nutrition and plant nutrition. Founded in 1913 as a commercial fishing operation, Omega Protein's legacy business allowed the Company to become one of the world's leading producers of fish oil and the largest manufacturer of fish meal in the United ...
