Company Profile

Ubiquiti Networks® develops high-performance networking technology for service providers and enterprises. Our technology platforms focus on delivering highly advanced and easily deployable solutions that appeal to a global customer base in underserved and underpenetrated markets. Our differentiated business model has enabled us to break down traditional barriers such as high product and network deployment costs and offer solutions with disruptive price-performance characteristics. This differentiated business model, combined with our innovative proprietary technologi... [\(more\)](#)
