## Company Profile

M/A-COM Technology Solutions Holdings, Inc. (M/A-COM Tech) is a leading provider of high performance analog semiconductor solutions for use in wireless and wireline applications across the radio frequency (RF), microwave and millimeter wave spectrum. We design and manufacture standard and custom devices, integrated circuits, components, modules, and sub-systems for customers who demand high performance, quality, and reliability. Our heritage in the RF industry dates back to the founding of Microwave Associates in 1950. ... [\(more\)](#)
