## Company Profile

XOMA Corporation (Nasdaq: XOMA) is a biotechnology company focused on the discovery, development and manufacturing of monoclonal antibody-based therapeutics for serious unmet medical needs. XOMA's world-class monoclonal antibody technologies have contributed to the development of marketed biologics with a total of more than \$1 billion in annual sales and for which XOMA received substantial royalties. The company also has a strong track record of product discovery and development collaborations with pharmaceutical and biotechnology companies and the U.S. government, and has licensed certain of its fundamental technologies to more than 60 companies....
