Cognex is the world's leading supplier of machine vision systems - or computers that can "see". Our company has been recognized in leading publications such as Forbes, Fortune, and the Wall Street Journal for our business success as well as our success in building an innovative corporate culture. With the largest market share of the machine vision market, a reputation for being the technology leader, and a strong global sales and support network, we believe we are well positioned for growth as we expand our business further in the industrial marketplace.

Cognex is headquartered in Natick, Massachusetts, USA and has regional offices and distributors located throughout North America, Japan, Europe, Asia and Latin America. Cognex common
