Company Profile

Matrix Service holds a commanding position in an essential and growing industry. Oil companies must maintain plants; aging infrastructure and need for increased power capacity; trend to outsourcing repair, maintenance and other non-core activities new laws are requiring new energy investment and revamping preferred provider downsizing at major integrated oil companies has resulted in an increasing number of preferred supplier arrangements, raising barriers to entry. Matrix Service is the industry leader in consummating such arrangements.... [\(more\)](#)
