Company Profile

Exa Corporation, a part of the Dassault Systèmes SIMULIA brand, develops, markets, sells, and supports software products, and provides professional engineering services for simulation-driven design. Leading manufacturers use our fluid flow, heat transfer, and acoustic simulation solutions to optimize the performance of their products, reduce product development costs, and improve the efficiency of their design and engineering processes.

The Company and its global offices and partners provide sales, support and training for customers.
Headquartered in Burlington, MA U.S.A....
