Company Profile

Founded in 2010, TESARO is a publicly-traded oncology focused company dedicated to improving the lives of cancer patients. The Company intends to leverage the experience and competencies of its management team to identify, acquire and develop promising drug candidates. Upon successful development and regulatory approval of any of our product candidates, TESARO intends to make them available to cancer patients in North America, Europe and China through its own commercialization efforts and to establish a network of licensees and distributors in other geographic areas.
