## Company Profile

Mitek (NASDAQ: MITK) is a global leader in mobile capture and identity verification software solutions. Mitek's ID document verification allows an enterprise to verify a user's identity during a mobile transaction, enabling financial institutions, payments companies and other businesses operating in highly regulated markets to transact business safely while increasing revenue from the mobile channel. Mitek also reduces the friction in the mobile user experience with advanced data prefill. These innovative mobile solutions are embedded into the apps of more than 5,800 organiza... [\(more\)](#)
