Company Profile

About Axon

Axon protects life with a network of connected public safety technologies. Founded in 1993, Axon (formerly TASER International) first transformed law enforcement with its TASER electrical weapons. Axon continues to protect life in new ways with a growing suite of connected devices and apps, from TASER smart weapons to body cameras, digital evidence management tools, records management systems, in-car video solutions, artificial intelligence automation, training and mobile apps. These technologies work together to automate outdated processes so officers can get to ... [\(more\)](#)
