Company Profile

Landec Corporation is a company that leverages its proprietary polymer technologies, application development and innovation capabilities to develop and commercialize new products in food and biomaterials markets. Landec's subsidiary, *Apio*, has become the leader in US fresh-cut specialty packaged vegetables sold in North America based on combining Landec's proprietary food packaging technology and the strength of two major national brands, Eat Smart® and GreenLine®, with the capabilities of large scale processing and national distribution. *Lifecore Biomedical*<...
