Company Profile

CSG is one of the world's largest and most established providers of business support solutions, primarily serving the global communications industry. We have over thirty years of experience supporting communications service providers as their businesses have evolved from a single product offering to complex, highly competitive, multi-product service offerings, while also requiring increasingly differentiated, real-time, and personalized experiences for their customers.

Our proven experience and world-class solutions support the mission critical management of our clients' revenue, customer interactions, and digital ecosystems as they advance their video, voice, data, content, and digital services to consumers. Our broad and deep solutions help our clients remain competitive in a dynamically evolving global business environment, respond to changing consumer demands, quickly launch new compelling product offerings, provide enhanced customer experiences through relevant and targeted interactions, and cost-effectively streamline and scale operations.
