## Company Profile

Through our combined content, distribution and technology platforms, Global Eagle provides airlines and the millions of travelers they serve with the industry's most complete offering of in-flight entertainment programming, internet connectivity, and related services. Our Connected Solutions division utilizes Ku-band satellite technology to provide airline passengers with Internet access, live television, shopping and travel-related information, while our Content Solutions division provides film and television content, games and applications to more than 130 airlines worldwide.
