Company Profile

At Black Box, our mission is to provide the solutions and services that enable our clients to fully optimize their communications investment. Our strategy is fueled by the following core beliefs about our clients and the markets we serve:

- **Enablement** - Communication is an organization's most important process. When we enable it, we create value.
- **Independence** - Client focused solutions are better than channel focused solutions.
- **Interoperability** - Business leaders will choose best of breed solutions... [\(more\)](#)
