Company Profile

Revance, a Silicon Valley-based biotechnology company, is committed to the advancement of remarkable science. The company is developing a portfolio of products for aesthetic medicine and underserved therapeutic specialties, including dermatology and neurology. Revance's science is based upon a proprietary TransMTS® peptide technology, which, when combined with active drug molecules, may help address current unmet needs.

Revance's initial focus is on developing daxibotulinumtoxinA, the company's highly purified botulinum toxin, for a broad spectrum of aesthe... [\(more\)](#)
