Company Profile

Twin Disc, Incorporated is an international manufacturer and worldwide distributor of heavy-duty off-highway and marine power transmission equipment and related products. Company engineers, sales reps and distributors work hand-in-hand with customers - including engine manufacturers - to design and customize products. Thanks to an experienced and dedicated workforce, our products possess a continuing reputation for high quality and performance in traditional as well as emerging new markets. The Corporation, which is a multinational organization headquartered in Racine, Wisconsin, current... [\(more\)](#)
