Company Profile

Company Overview

We are a leading provider of cloud-based software-as-a-service solutions that enable leading nonprofit colleges and universities to deliver their high quality education to qualified students anywhere. Our innovative online learning platform and bundled technology-enabled services provide the comprehensive operating infrastructure colleges and universities need to attract, enroll, educate, support and graduate their students. By leveraging our solutions, we believe our clients are able to expand their addressable markets while providing educational engagement... [\(more\)](#)
