## Company Profile

Rightside is a recognized leader in Internet domain name services. With a mission to advance the way businesses and consumers define and present themselves online, the company is the industry's only end-to-end vertically integrated provider operating at scale and able to service all aspects of a domain name. Rightside is also a chief participant in an historic expansion of the Internet name space - broadening domain name extensions from just 22 legacy options like .com and .net to potentially more than 1,300 including ~700 generic Top Level Domains (gTLDs) and 600 branded Top Level...
