Company Profile

Empresas ICA develops and operates infrastructure in Mexico, other countries of Latin America, and select other markets. We are Mexico's largest infrastructure company, and one of the largest in Latin America.

Through our six-decade history, we have built many of the emblematic projects of modern Mexico. Today, our focus is on creating the infrastructure that will help keep Mexico and the other countries of the region at the forefront of the global economy.

ICA has two core, complementary businesses: construction and management of a portfolio of long-term infras... [\(more\)](#)
