Company Profile

We are an integrated, growth-oriented oilfield service company serving companies engaged in the exploration and development of North American onshore unconventional oil and natural gas reserves. Our primary business objective is to grow our operations and create value for stockholders through organic opportunities and accretive acquisitions. Our suite of services includes completion and production services, natural sand proppant services, contract land and directional drilling services and remote accommodation services. Our completion and production services division provides pressure pu... [\(more\)](#)
